A complete copy of the 1868 state atlas showing the names and locations of 1000s of houses, businesses, churches and schools.

*Delaware's land is divided in "hundreds", an ancient land division similar to New England townships.

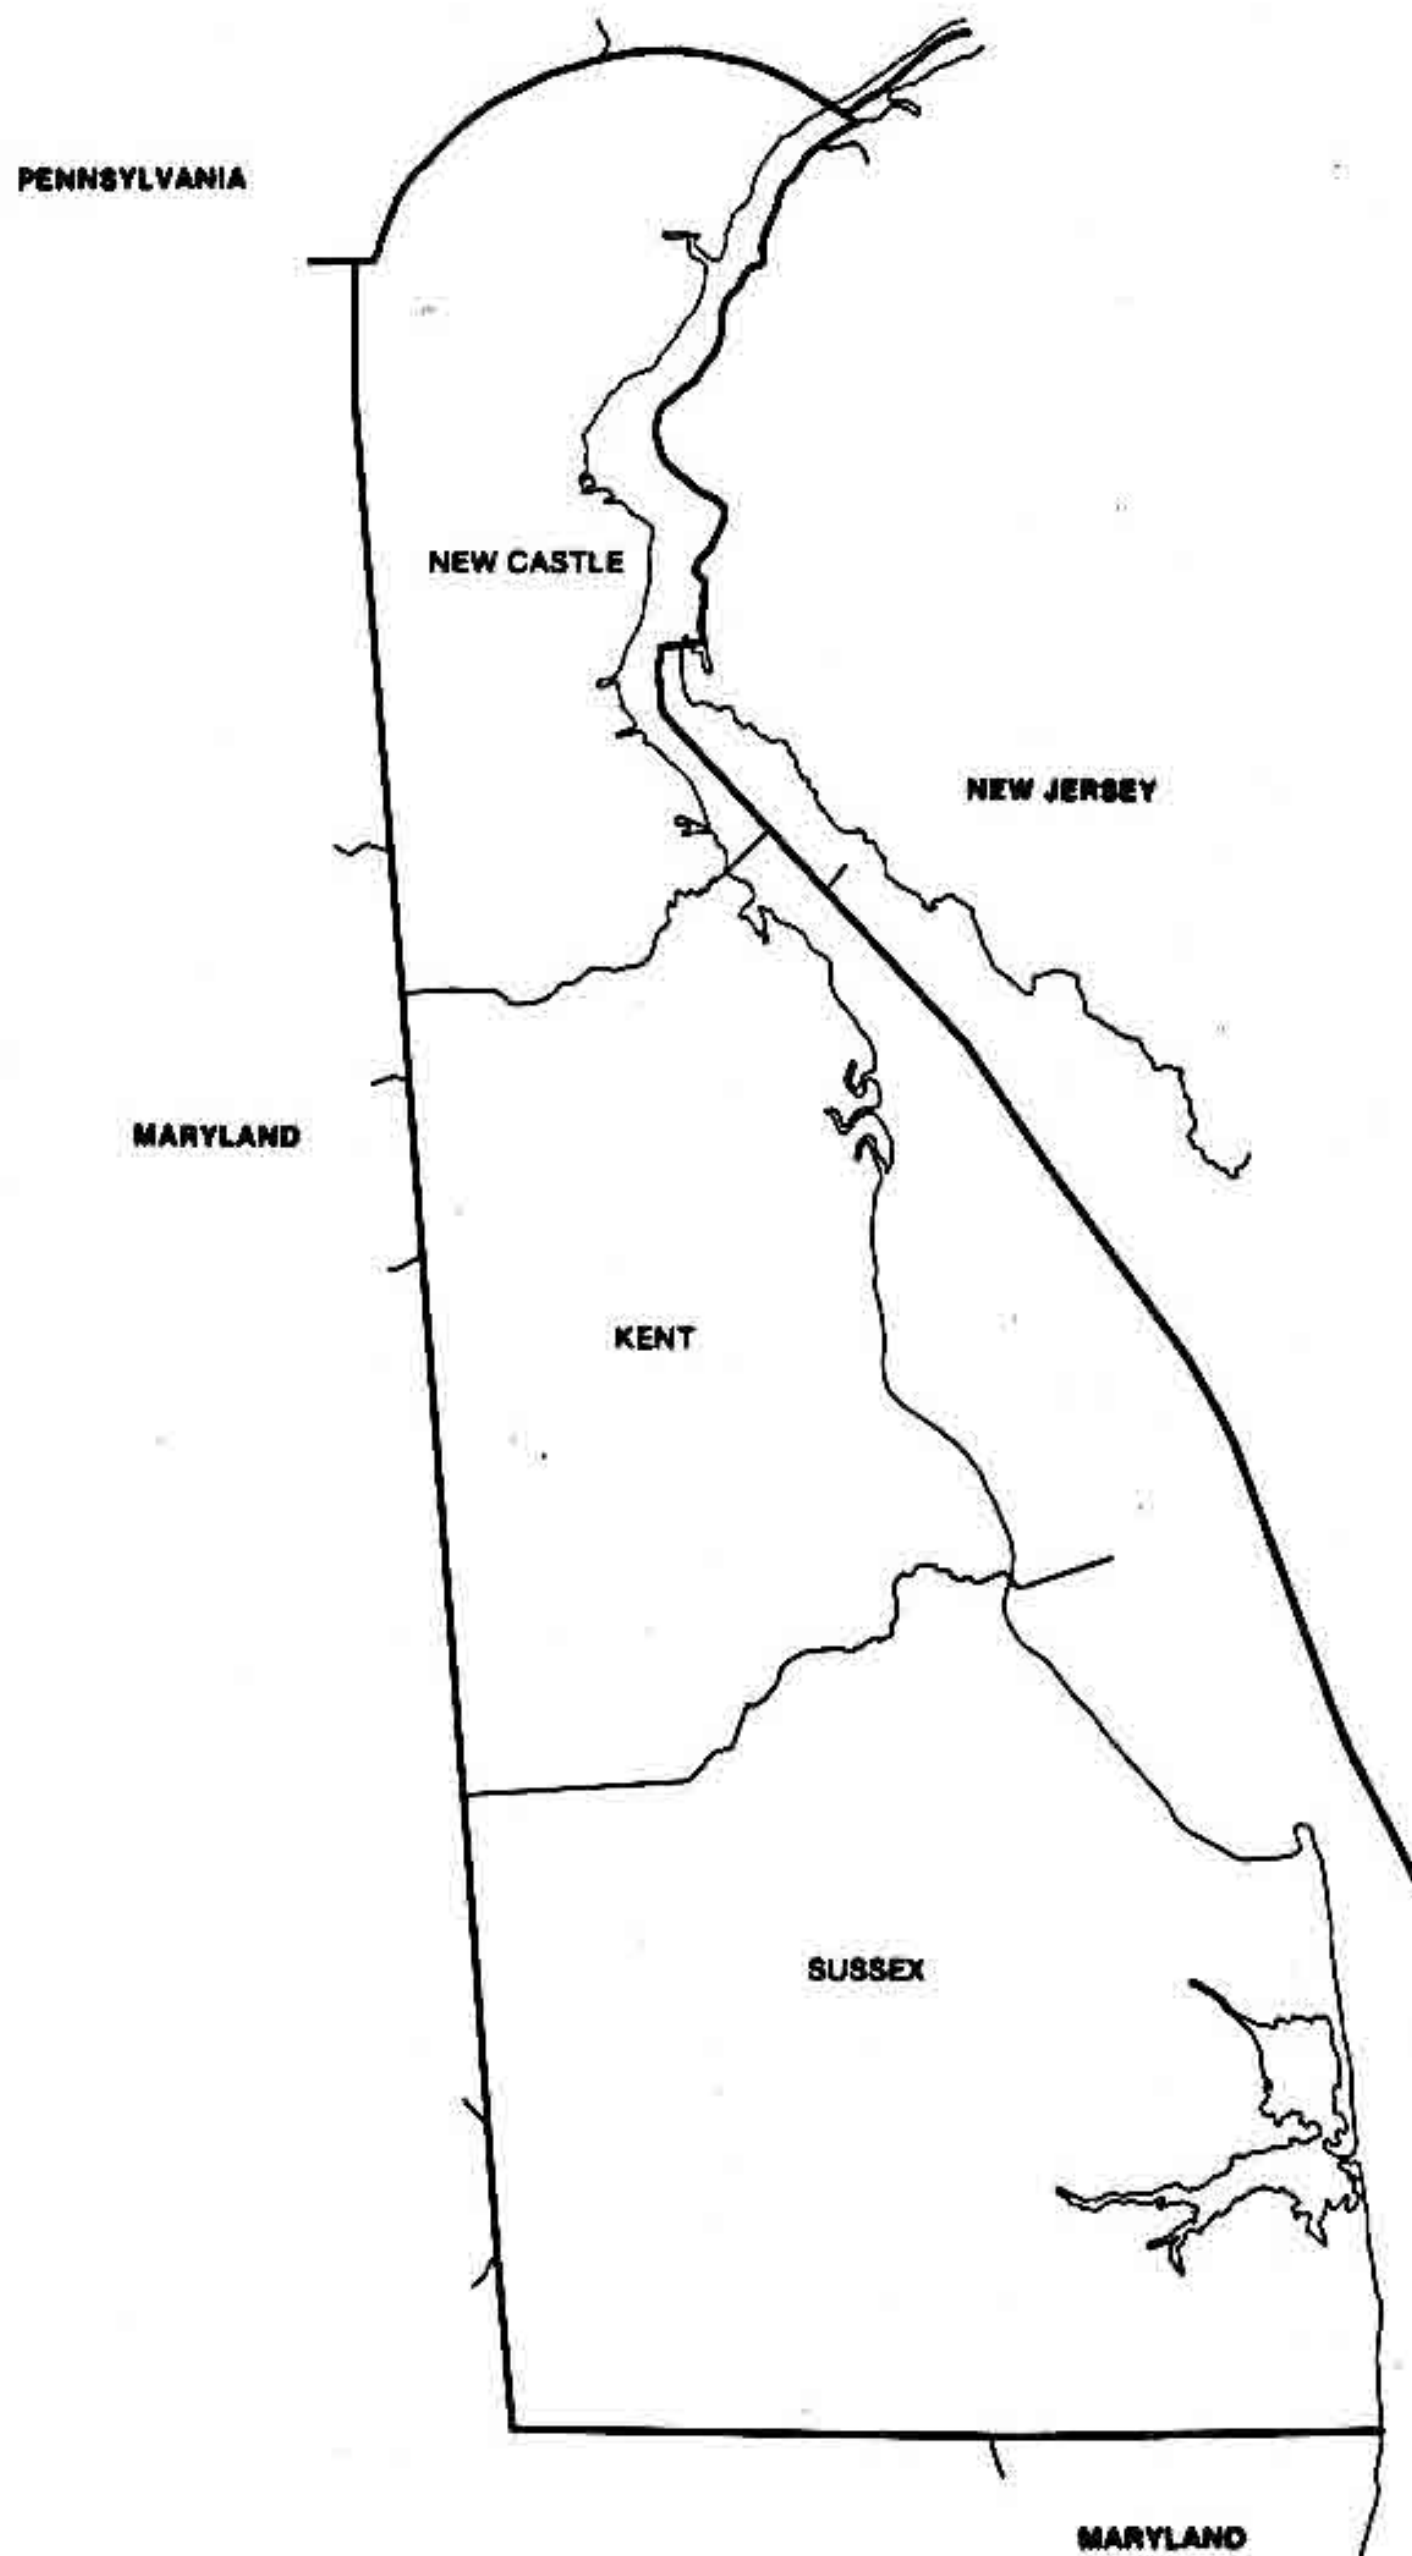

**These scans of the Pomeroy & Beers Atlas from the Rumsey Collection did not include the map of Cedar Creek. We have obtained both a low-quality color scan and a high-quality black and white scan from different sources.
