

Map of Plymouth County Massachusetts 1857

A complete copy of the 1857 county map by H.F. Walling showing the names and locations of 1000s of houses, businesses, churches and schools as they were a century and a half ago. The 1857 map was the first comprehensive road map of the 25 towns of Plymouth County. The original map has been “taken apart” for this edition by scanning into 82 separate images*.

*This copy is not perfect. There are some missing names due to defects in the publishers’ copy of the original. Portions of the Town of Hull and Hingham are missing, as are portions of some of the pictures which surround the original map.
