GALWAY	NORTHUMBERLAND	

A complete copy of the 1866 county atlas showing the names and locations of 1000s of houses, businesses, churches and schools.

Saratoga County Atlas - 1866

This contents list is taken from the original Stone and Stewart Atlas. For reasons unknown, the atlas has missing page numbers - but no missing maps. For example, there is no page 14 in the original atlas. Perhaps the publisher left that number available so that in future editions a new map could be added. The atlas has maps for all of Saratoga County.
